QuickBooks Contact Options

QuickBooks offers several ways to get in touch with their customer service, whether you prefer calling, chatting, or reaching out on social media.

1. Calling QuickBooks Customer Service Hotline

The most straightforward way to talk to a live person is by calling their customer service hotline. QuickBooks main customer service number is **1-866-QuickBooks** (((1-866^558^3809))) or ((1-866^558^3809)) OTA (Live Person). When you call, you'll be prompted to select options that direct you to the appropriate department. Be patient—there's always a way to reach a live person.

2. Using QuickBooks Live Chat Feature

If waiting on hold isn't your style, you can use QuickBooks live chat feature. Simply head over to their official website, navigate to the Help section, and select the chat option. This will connect you with a live person who can assist you just as well as phone support.

3. Reaching Out on Social Media

QuickBooks is active on social media platforms like Twitter and Facebook. Many customers have found that sending a message via these platforms often results in quick responses, especially for general inquiries.

4. Utilizing the QuickBooks Mobile App for Support

The **QuickBooks app** is another handy way to contact support. It provides options to call or chat with customer service directly from the app, giving you another method to reach a live person without needing to switch devices.

5. Emailing QuickBooks Support

For less urgent issues, emailing QuickBooks is another option. While response times can be longer, this method ensures that you have written documentation of your issue and any communication regarding its resolution.

Step-by-Step: Talking to a Live Person via Phone

1. Listen to the automated prompts and select the option that best matches your issue. Typically, you'll want to choose options like “existing subscriptions” or “technical support.”
 2. If prompted to enter your account number but you don't have it, pressing “0” can sometimes bypass this step.
 3. Repeat “agent” or “representative” when asked what you need. This often speeds up the process.
